Fort Worth, Texas, Dec. 16, 1920.
Knowledge is proud that he has learned so much.
Wisdom is humble that he knows no more.

—Cowper.

Judge Evans of Waco was in the city on business last week. He was at the Mt. Zion Baptist Church of which Rev. M. K. Curry is pastor, went over the top in the rally, Dec. 12. Over \$700 was raised.

See Mrs. L. B. Hughes before buying your Xmas goods. She has a line of Colored dolls, ladies and gents handkerchiefs, balloons, cuff buttons, tie clips and soft collar pins—Temple Drug Store.

Mrs. Jerome of Mineral Wells was a pleasant visitor in the city last week and stopped with her old friend, Mrs. Gilbert Haley of E. Annie street.

Read the Dallas Express. We sell it at Temple Drug Store.

It is said that the Negro business interest in Chicago is being stirred to great activity by the launching of a new business idea by one Mr. J. L. Lane, promoter of the United Working Men's Mercantile Company, one of the leading and most wide awake Colored business men in Chicago. Mr. Lane proposed the operation of a chain of stores by members of the race, that will extend throughout the entire country. The plan has already made a big hit and there are abundant indications that the idea will be an established fact before many more months are passed. If Fort Worth and Tarrant County would form much a plan and cooperate with Mr. Lane, it would give employment to many boys and girls who are on the streets idle.

Broadway Rastus show appeared at Chamber of Commerce, Dec. 13-14. A big crowd witnessed both performances and seemed much pleased. As a whole, the singing was good. Miss Anita Wilkins, better known as "Black Patti," was at her best. This is their first trip South and we wish for them much success.

Mrs. G. R. Owens of 1225 Josephine street entertained with a dinner, a few of the North Texas Annual Conference friends. All expressed themselves as well pleased with the menu served.

See Mrs. L. B. Hughes, Temple Drug Store, for holiday goods. If it's the Dallas Express, she has that. Mr. M. T. Blanton has returned from a visit to his home in East Texas and reports a very pleasant trip.

North Side Happenings.

Fort Worth, Texas, Dec. 16.—St. Paul Baptist worshipped in their new church building Sunday. Each department met on time. Supt. A. Woods and pupils know how to entertain you in the lesson. Attendance good. Many who had been away from the school came out and enjoyed the many good things said.

11:30 o'clock, preaching hour, the pastor came forward with a burning message from Numbers 14:11, and every one witnessed a happy time in Zion; after which Bro. G. S. Smith, ex-Deacon and Deacon Watkins took an offering—amount \$16.00. At 3 o'clock H. M. S. Sisters opened fire on old Satan with a sweet praise service and our heart was made to rejoice; also Bro. Wheatfall and his faithful band of B. Y. P. U. workers were in session at 5 p. m. St. Paul has awakened to her duty again and all seem to be on the front line. At 8 o'clock H. M. S. Sisters opened service for all spoke as if they were moved by the spirit, and an old time about was manifested—after which one came forward and joined the church. Bro. Young and wife, Sister Williams and McIntosh also worshipped with us. Offering for the day \$35.23. Rev. W. M. McPherson, leader of St. Paul following, Deacons S. W. Bennett are out of town on business. Sister Friedman returned, reporting her mother was better.

MISS JOHNSON LAID TO REST.

Sunday, Dec. 4, Miss Drucilla Johnson, one of Fort Worth's and Texas' most useful young women was laid to rest.

Miss Johnson, the daughter of Prof. M. J. Johnson, formerly of Fort Worth and M. College and at present the principal of Houston College, and the sister of Prof. L. M. Johnson, principal of James E. Guinn School, had a heart ailment, but her career. She was a graduate of Bishop College and had done post graduate work at Chicago University. She taught in the public schools for a while and afterwards was called to the department of mathematics in Bishop College, her Alma Mater. She held this position at the time of her death.

As a teacher, she was thoroughly proficient. She loved her work and she loved those with whom she labored. She loved the beautiful and at all times had a word of cheer and comfort for those with whom she came in contact. She was one of the most loved of all the faculty of Bishop College.

Miss Johnson fell ill during the commencement season last May. She went to Colorado, and finding the altitude of this mountainous state too great for her weakened physical condition, she came to San Angelo, Texas, where she made a brave but cheerful fight to retain her failing health. She fought against the odds and when she saw the end approaching she met the solemn fact with that philosophical companion which characterizes the departure of a staunch Christian.

Early Thursday morning while the day was yet young, her high kinship came and bore her out on the boundless idea to the eternal shores. The funeral was held from the Mt. Gilead Baptist Church. Telegrams and resolutions were read from all parts of the state. Floral tributes were sent from Bishop and Houston Colleges as well as from the different schools and many friends of this city.

Accompanying the flowers and resolutions from Bishop College were two former pupils of Miss Johnson, Miss Ethel Griggs and Mr. J. L. Kraft. Among the visiting ministers were: Drs. D. A. Scott, F. Rivers Barwell, O. C. Maxon, President of Bishop College, W. G. Unshar and Prof. M. L. Rodgers. Interment was made in the Trinity Cemetery.

CARD OF THANKS.

We wish to express our heartfelt thanks to our many friends for their sympathy and assistance rendered, and the beautiful floral offerings sent

in this our great sorrow—the loss of our beloved daughter and sister.

Signed:
Mr. and Mrs. M. Johnson,
Mr. and Mrs. L. M. Johnson,

RECORD OF FOOTBALL TEAM—WILEY UNIVERSITY, SEASON OF 1920.

Marshall, Texas, Dec. 16.—Wiley University Football team has just completed a most successful schedule. Beginning the season with a game with the heavy eleven from Arkansas Baptist College, of Little Rock, Ark., she defeated the Arkansas aggregation by the decisive score of 27-0. The next in order was an Armistice Day game with Sam Houston College at Austin, Texas, which was played in Houston, Texas before a record-breaking crowd. Again Wiley team triumphed. When the whistle blew announcing the end of the game the score was 27-0, favor Wiley. The next and perhaps most grueling of the contests for the season was the Wiley-Prairie View match staged in Wiley Park. Prairie View is the State college and always has a formidable team.

The exhibition was enjoyed and favorably commented on by the many spectators who witnessed it. Prairie View played a fine game, but the Wiley eleven seemed determined not to be scored on, and the game ended 7-0 for Wiley.

The final game of the season was a Thanksgiving Day game with Shorter College, Little Rock, Arkansas. The Shorter team, of huge proportions and swift of foot, gave Wiley a deal of trouble. Neither of the teams scored until the last quarter when, after a safety made by Wiley, Quarter back Wester realizing that Shorter's line was impregnable, made two tough downs by the forward pass route. The game ended, Wiley 16, Shorter 0. Wiley now boasts of a team that has never been scored on.

JITNEY BUSES.

The jitney bus is a contrivance for making a perfect democracy out of the automobile.

Ten years ago only millionaires rode in automobiles. Five years ago only the prosperous or the foolish could afford them. But today the scrub lady holds up three fingers at the street corner and steps into a trolley as carelessly as if she had a stable full of touring cars at home.

The jitney bus is an automobile which is trying to earn a decent living. It is also an illustration of the marvels of science. Ten years ago it took a four figure income to keep an automobile out of the repair shop. Today the brave young man puts his ruined father on the back and says, "Cheer up, dad. All is not lost because you were defeated for alderman." Then he takes the family auto out and supports the home by hauling passengers at five cents a head.

The jitney bus also illustrates the power of words. It was impossible to make money hauling people in an automobile for five cents until some word could be found to popularize the job. Suddenly the word "jitney" was discovered in a pitiable condition due to lack of employment. Immediately ten thousand automobiles were equipped with the new word and the public passed up a dozen street cars apiece to discover what the hapless thing was like.

The jitney bus flourishes most where the street car president is proudest and haughtiest and the street car company is supposed to be capitalizing. Up to the last year the American citizen who didn't like to hang by a strap with a fellow citizen on his feet and another in his thorax could walk and tell his troubles each night in his automobile.

We will be more likely to see him standing on a down town corner bawling for trade with a dinner bell and calling attention to the fact that each street car passenger gets a chance on a fine set of dishes to be given away on Saturday afternoon.

Just about the time anyone gets some little thing like the jitney bus comes along and reduces his assessed valuation about \$11,000,000. Great is American ingenuity!

DEPENDABILITY

When dollars have decreased in buying power and the public is called upon to pay the additional costs of production, and when the question of quality of preparations is thrown to the scrap-heap and dependability of service and quality of results entirely discarded, Madam finds herself confronted with the problem of how and what with the same money may she purchase for her toilette.

For milady's beauty and saving her precious dollars, insist upon articles that bear this seal.

Rheumatism

A Remarkable Home Treatment Given by One Who Had It

In the Spring of 1911 I was attacked by Rheumatism and Inflammatory Rheumatism. I suffered only those who have it know. For over three years, I tried remedy after remedy, and doctor after doctor, but each failed as I needed was only temporary. Finally, I found a remedy that cured me completely, and I have never returned. I have given it to a number who were terribly afflicted and even bedridden with rheumatism, some of them 70 to 80 years old, and results were the same as in my own case.

I want every sufferer from any form of rheumatism to try this marvelous healing power. Buy and send a note, simply mail some and address and I will send it free to try. If you have used it and it has given you relief, let me know and I will send you a bottle of this long-continued course of getting rid of your rheumatism, you may send the price of this one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Let that fair? Why suffer any longer when relief is thus offered you free? Don't delay. Write today.
